Good afternoon,

As you know, we are being forced to leave our home due to the situation up here that has been so poorly managed. Today we were loading and packing boxes in a u-haul, and there were SEVERAL times that we could not get in or out of our driveway due to TOURISTS that were ILLEGALLY PARKED due to the TOTAL LACK OF ENFORCEMENT in our neighborhood. On one occasion there were TWO CARS that completely blocked our driveway, with serves four of the six homes on our street. When I asked them to move they did not- because THEY SPOKE NO ENGLISH. They were speaking in what sounded like Arabic.

Can we at least be able to leave our home in peace?! Moving is stressful enough! Is it possible to get some much needed weekend enforcement in our neighborhood? We all know that dirt Mulholland is a chronic disaster. Just now I had to chase a car out of my own driveway, on PRIVATE PROPERTY and the person was SMOKING. And every time I have to ask someone to move their illegally parked car, I am met with total attitude. THEY ARE THE PROBLEM, not us.

We would really appreciate being able to MOVE OUT OF HERE with some sense of security. I swear to god if anything happens to us or our home before we leave, we will bankrupt the city with lawsuits. Not a threat! Just a promise. We have a paper trail that is 10 miles long. None of you can say "We did not know" and none of you can claim that we did not beg you for help.

Hi R.C. and Melinda - Is there any way to get DOT enforcement up to the dirt Mulholland area tonight in Hollywoodland? and perhaps tomorrow?

Heather,

We will call folks to get up there. Are you still packing today? Should we try to get someone tomorrow?

Adding Adam's other address as I don't think he has remote access yet to city email. I emailed RC and Melinda Contreras and left a voicemail for RC. Any other suggestions?

I called the Parking Enforcement Communications Center and talked to the person on duty; they are sending a parking officer up to the constituent's address/region shortly.

Got ahold of the Parking Enforcement Community Center and all should be well. Thanks a million for those numbers Melinda!

Catherine that is great but you know we need someone here all the time (in other words, *close our street*). This is an internationally sought after landmark. It is a HUGE tourist destination, smack in the middle of a residential area that happens to be a severe high fire hazard zone.

The other day I was talking to a very nice LAPD officer that I saw when walking my dog. She was appalled that all of these cars were allowed to come up here, with NO monitoring. She specifically expressed concern re: the communications tower, how easy it would be for someone to run up to the top of the hill with a backpack and just blow it up. Interesting, that is exactly what I wrote to Homeland Security about. If our own city won't protect us, then maybe the Feds will.

Sending up DOT after the fact will rarely get anything accomplished. These inconsiderate, entitled clods park for "just 5 minutes" to get their photos then they leave. My driveway, my street should NEVER be blocked.

Thank you,  
Heather
